MICROGRIDS
NEXT-GEN IT SYSTEMS
CONSTRUCTION OUTLOOK

NE OHIO SUMMIT

on HIGH PERFORMANCE BUILDINGS

EARN **3** AIA LU/HSW, GBCI CE and PDHs

Join local leaders and innovators to discover the next frontier in
Micro-Grids, Sustainable Design, and Next-Gen IT Systems.

The summit will also provide expert insights into the **local economic and construction outlook**,
and offer new perspectives on how to design **renewable energy systems**,
and **resilient infrastructure** to create real value for owners and the surrounding community.

FREE REGISTRATION

AGENDA

8:00 - 8:30 AM - **REGISTRATION**

Continental Breakfast

8:30 - 9:30 AM - **SESSION 1**

**Unveiling the Value Proposition of
Microgrids and District Energy Strategies
- Scaling up to Benefit Local Communities**

9:30 - 10:00 AM

NETWORKING BREAK

10:00 - 11:00 AM - **SESSION 2**

**Modernizing IT Infrastructure in Existing
Healthcare Facilities**

11:00 - 11:30 AM

NETWORKING BREAK / LUNCH BUFFET

11:30 AM - 12:30 PM - **SESSION 3**

**Navigating Challenges in the Construction
Landscape**

SESSION 1

Unveiling the Value Proposition of Microgrids and District Energy Strategies - Scaling up to Benefit Local Communities

1 AIA LU/HSW, GBCI LEED Specific (BD+C, O+M) CE, PDH

As power grid investment and modernization gains momentum nationwide, this session will illuminate recent trends and legislative changes that are already impacting our local economy. Speakers will discuss opportunities and challenges when it comes to electrification, net zero, renewable energy systems, and microgrids for businesses and communities.

Unravel Complexity - Discover Creative Solutions

MIKE FOLEY
Director of Sustainability
CUYAHOGA COUNTY

KATRINA KELLY-PITOU, PhD
Energy Systems Strategist,
Principal
SMITHGROUP

PETER PROTOPAPPAS, CEM
Co-Founder
SIGMA RENEWABLES

DAVID DEAL
Strategies Leader,
Sustainability & Resiliency,
Principal
HEAPY (Moderator)

SESSION 2

Modernizing IT Infrastructure in Existing Healthcare Facilities

1 AIA LU/HSW, GBCI LEED Specific (BD+C, O+M, ID+C) CE, PDH

Speakers will share lessons learned for IT system upgrades in aging facilities when regional campuses are tied to larger healthcare systems. Additional insights will be offered to help overcome challenges and ensure efficient implementation without disrupting day-to-day hospital operations. **Modernize – Streamline – Build Resiliency**

DAVID KRYMOWSKI
Director South Region
CLEVELAND CLINIC

JOE WISE
Director, ITD Facility Planning
& Data Center Operations
CLEVELAND CLINIC

JOHN BUTLER, JR
Project Manager
WHITING-TURNER

ED PAINE, AIA, LEED AP
Principal
**HASENSTAB
ARCHITECTS, INC.**

BILL THOMAS
Cleveland Regional Office
Leader, Senior Principal
HEAPY (Moderator)

SESSION 3

Navigating Challenges in the Construction Landscape

1 AIA LU/HSW, GBCI LEED Specific (BD+C, O+M) CE, PDH

In the dynamic construction industry, new challenges and opportunities are shaping the landscape – from economic fluctuations to evolving technologies and shifting regulations. This session will explore the most pressing issues facing construction projects today and provide valuable insights on how to plan proactively to address them.

Planning – Strategy – Collaboration
